# Community Facts

Burlington, population about 40,000, is located in the North Carolina Piedmont Crescent, a linear region of rapidly growing cities and counties sharing common interests which stretches from the Capitol City of Raleigh westwardly to Charlotte and beyond. The City is 170 miles west of the Atlantic coast and 120 miles east of the Appalachian mountains. It is the central core of an urban area of about 70,000 people.

Burlington has a Council-Manager form of government with the Manager serving at the pleasure of the Council and the five Councilmen serving four-year staggered terms.

Burlington is 656 feet above sea level and enjoys a mild climate with a mean temperature of about 59 degrees and annual rainfall of slightly more than 44 inches.

Burlington has a fine school system of two high schools, one junior high school, two middle schools, and eight elementary schools.

All major religious denominations are represented in the many churches of the City.

Burlington is served by the Southern Railway, highway passenger bus service, and a general aviation airport. It is connected to all parts of the country by Interstate 85 highway.
